About me

I'm Ahmed Chiko, creative copywriter with 10 years of experience in conceptualizing and designing scripts for TV and Radio channels.

Played a major role in comedy programs as voiceover.

Conducted and drafted multiple voiceover commercials.

Leveraging on my experience in copywriting and voice over filed I s delivering training courses in the principals of script writing and voiceover and its techniques.

I have the passion for delivering a daily creative content that con our world and meet the audience day to day life experiences.
